

Riley Neeko-Alexander Morris

March 10, 2009 - July 12, 2021

Riley Neeko-Alexander Morris, son of David Jonathon Morris and Erika Nichole Carroll, was born March 10, 2009, in Apple Valley California. He Passed away Monday, July 12, 2021, in his home having attained the age of 12 years.

In April 2014, Riley and the family moved to the Richland, Missouri area where he was a student at Richland Elementary School.

Riley was a very active kid. He loved to be outdoors. He always enjoyed fishing, camping, kayaking, shooting guns and his bow and especially loved to play soccer. He not only loved the competition of playing soccer, but just purely enjoyed playing the sport. Riley also enjoyed playing Minecraft and watching Anime. He was also known for his haircut...it was referred to as the "Riley cut".

He had a giant heart and loved his family tremendously, especially his brother and sisters. Riley was affectionately referred to as Bubba and he enjoyed playing with his siblings. Even at his young age, Riley had a servant's heart. He cared about others and wanted to make sure everyone was fine.

Riley will be sadly missed, but fondly remembered by all those that knew and loved him. He leaves to cherish his memory, his mother: Erika Carroll (Deran

Durant) of Richland, MO; his dad: David Morris of Las Vegas, NV; three sisters: Andie Nichols of Farmington, MI, Breah Morris and Mycah Durant of Richland, MO; one brother: Jonah Durant of Richland, MO; maternal grandparents: Bridgett Harley and Henry Harley, both of Richland, MO, and Chery Durant of Victorville, CA; paternal grandmother: Debra Deronde; several other relatives and friends.

Even though he is gone from our sight, Riley's fun-loving spirit and caring heart will live on in our hearts forever.

A private family gathering was held in the Memorial Chapel of Richland.

Riley's family wishes to thank the community for all it's love and support during their time of sorrow.

Memorial contributions may be left in memory of Riley Morris and can be left at the funeral home.
