“ Robin was my beautiful cousin and I LOVED ALL of our talks and her laughter. Even though we were on the phone, It always felt like that she was right there with me. Miss her so much it hurts.

“ Robin Elizabeth Shackelford was my grandma. I always called her Mimi. She was the best person I've ever met. She was creative, smart, kind, generous, beautiful, and so many other words that I can't even put into words. I loved her some much. And obviously, I still do. For anyone else that knew her, I am very sorry for your loss. But, thank you all for being so kind to her.
