September 10, 1981 - September 24, 2020

Rocky "Daniel" Fullington, son of Rocky Gene Fullington and Brenda "Denise" (Knapp) Fullington, was born September 10, 1981 in Waynesville, Missouri.

Daniel, as he was known to his family and friends, grew up in St. Robert and graduated from Waynesville High School. He was a very intelligent individual and while in school was involved in the LEAP program. In the 5th grade, he was awarded the 3rd smartest child in the United States and was able to go to the NASA Center.

As a child, Daniel grew up in a Christian home and was baptized at an early age.

Daniel was a hardworking man. He worked in construction and could fix anything. He worked with his father and brothers for the family owned siding company.

In his spare time, Daniel enjoyed being outdoors. You could find him either hunting for arrowheads and crawdads, swimming, camping, fishing, and hunting. He also liked to work on cars and was very talented with drawing.

Daniel was blessed with one daughter, Kellie and he loved her tremendously and was very proud of her. He also loved his family and enjoyed spending

time with them.

Daniel passed away Thursday, September 24, 2020 in St. Robert, Missouri having attained the age of 39 years. He will be sadly missed, but fondly remembered by all those that knew and loved him.

Daniel leaves to cherish his memory, his mother: Denise Fullington of St. Robert, MO; one daughter: Kellie Fullington of St. Robert, MO; one granddaughter: Wynter Fullington; two brothers: David Fullington of St. Robert, MO and Kyle Fullington of Oakwood, VA; one sister: Elisha Baker (Jason) of St. Robert, MO; several nieces, nephews, other relatives and friends.
