“ I met Rod and his wife Carolyn shortly after I started in a new career at the American Legion post #38 in Fountain Colorado. Rod was very helpful in making me feel comfortable with my start. He was very genuine about getting to know about me. We bonded through our military service and that my father had retired from Ft. Leonard Wood. We often talked about the post and he told me how he really had wished to return to the area. That was in 1998. We remained friends for year's. Lots of stories and events we had in common. I moved back to Missouri in 2018. Rod stayed in touch and we searched the area for a home, soon he and Carolyn moved here to fulfill his desire to be in a place that he enjoyed. I enjoyed being his friend and his passion for God, Family and Country. Proud to have been a small part of his life but he will never be forgotten.
