“ *Ron never "sugar coated" what he had to say; he said it, and he meant it. I bet many would remember him telling, not asking you, to go inside and get him a beer. He, Betty & Nana always treated me like one of their daughters when I was at their house in Fair Lawn. I am blessed that my friendship continues with this family. Ron, you & your stories will be missed but will be shared over & over again. I love you, Cronk family. Cindy Medina*

“ There are so many memories that I have of Ron it is impossible to pick just one. My heart is broken with the passing of my brother. I hope in time the hurt passes, but know from past experience it lessens but never goes away. I will keep him close to my heart until the time comes that I see him again. 💔😭

*Betty and family,
Very sad to hear the passing of Ron. Ron and I spent many trips in his truck heading out to job sites. Most of the time it took forever since he never drove quick, but we talked a lot about all type of things and always laughed along the way. I learned many things from him and still remember things he taught me today. He was a good man and I'm glad I had the chance to meet him and call him a friend and mentor.*
