We are very sorry to hear of Ronnie's passing. Our thoughts go out to Ronnie's family and friends across the pond. Ronnie always found time over the years to maintain the contact and friendship we had since I discovered I had family in the USA and I also discovered that Ronnie's father and my father were brothers. We wish we could be at the memorial service but regret this is not possible due to the vast distance between us. Such a sad loss. We send much love from Wales. Cousin Terry and wife Annette, Pontypridd.
