Cindy a lot of memories looking at your family pictures. Especially the one of you looked like you were in Jr. High. It was a family picture. It almost made me cry thinking about the days when we were in school. How fast time has gone by. I am sorry about the loss of your dad.

“ *I attend CGSR with Roy for quite a few years. I moved on from that church, but every time I would go back to visit I'd make it a point to go talk to my friend Roy. He always greeted me with a smile and seemed genuinely happy to see me. He always asked me where I had been and why I wasn't at church. I'll miss visiting with him at CGSR.*

Will miss my old buddy Roy, he was faithful to attend church and was an usher for years. He got ill and was gone for awhile then came back using his walker. He asked if he could still take the offering and he did that for several Sundays until he could no longer get out to Church. He was a dandy guy, we all at CGSR loved him, he will greatly missed. He has gone to be with Jean who he dearly loved.
