*To the Williams family and Greater community church family,*

*I just received the news of the home going of our beloved one. I too loved Ms. Williams, she was a God sent I had the opportunity to work closely with her daily while in Ministry there at Greater Community church. We worked together, laughed together and most of all prayed together. I know she's in a better place because her life is in God's hand, so be encouraged and trust in God for your life. May God continue to bless you all.*
