“ Time sure flies by. I remember when you kids were young and your mom had the ceramic shop. I spent lots of hours there. I'm sure she had a big smile on her face when she saw your dad. I recently lost my mom, and dad probably asked her what took so long? It's hard for the ones left behind. Even though this is all in God's plan, it doesn't make your loss any less. Just cherish the time you had and in time , you will have a lot of things to remember and laugh about. You are all in our prayers
