“ *Kiew, we are sorry for your loss. Lloyd was a great fellow. His mentor-ship with me as a 21T and instructor are fondly remembered. Both yours and his kindness are remembered, from out time as neighbors in Evening Shade. It was an honor to have known him. God Bless!##imported-begin##James R. Crisp##imported-end##*

“ Kiew - Shirley and I are very sorry for your loss. Lloyd was a good friend and co-worker for the last 15 years teaching engineering skills to Soldiers, Airmen, Seabees and Marines at Fort Leonard Wood. We shared many stories of the trials and triumphs of our lives and he never failed to put a smile on my face with his wit and candor. Although we miss him and it's necessary to grieve, it's important to remember that he is free from the bonds of this earth and it is us who continue to suffer the loss. Our thoughts and prayers are with you and your family.##imported-begin##Dave and Shirley Harrington##imported-end##

“ Mr. Lenker was a great man and wonderful co-worker. He will truly be missed. I had the privilege of working with him during my time at Ft. Leonard Wood. He always had something funny to say, and the student's loved him to pieces. On behalf of myself and my family, I am sending my condolences.##imported-begin##Tynisha (Quick) Williams##imported-end##
