“ I met SFC. Velishek when I was a 17 years old with not much of a purpose in life. He was my Senior Drill Sergeant in the summer of 1984 at Fort Leonard Wood Missouri. I had a hard time getting my act together but he never gave up on me. He pushed me, motivated me, and always gave me some "extra attention". I would not have had the great career and life I now enjoy. Without the discipline and lessons he taught me in boot camp. I'm very Sorry for his families loss and just know I will never forget him till the day I die. God Bless you and your family.

“ So sorry to hear about your loss. Ray and I have known each other for almost 40 years, serving in the Military back in 1972 -1974. We were like brothers and remained in contact over the years. He played a very special role in the earlier years and will be missed dearly. Sure he will be at peace after all the suffering he has endured. Our hearts go out to the family.

Love You Ray ,
