“ We miss John already. We will remember the good times. He made us smile and laugh many times. And we are thankful for those. We will miss our neighborly "back porch to back porch" conversations and our get-togethers in John and Sharon's basement and ours for televised games and special times---John ROCKED that Halloween costume!! That was so much fun. We wish we could have had more good times to share. We're very grateful for and proud of John for the years of service he gave to our nation. Our hearts are very heavy and saddened for the loss of our neighbor!! To Sharon---we grieve with you and your families!

“ *To the Family of John, my heartfelt prayers and condolences to this very honorable man.*

SFC (Ret) John T. McCann was one of the most competent Senior Non-Commissioned Officer's I had the pleasure to serve with in the United States Army! I speak from experience as we served together as Soldiers in Germany, the United States, and as Department of the Army Civilians.

John, I will sorely miss miss you, our Boston versus Philly sports rivalry discussions, and most importantly, talking to a trusted friend.

Brother, you are on the high ground now, we will link up again!

About 20 years ago, SFC McCann's expertise was critical as "NBC" combat tasks and equipment were being analyzed and evaluated for future specialized teams, later HS/DSCA missions... John retired from Active duty and brought his skill set to the civilian work force (w/ his cutey-patoody drill sergeant then first sergeant then doctrine expert Trophy Wife). It was a pleasure and an honor to work with John, AKA: Mac. My sincere condolences and prayers to sweet Sharon and family & friends.

Sharon, Peggy and I are so very sorry for your loss; John left this world way to early. It seems like yesterday when we moved to this neighborhood and I remember the many conversations I had with John about Germany and our dogs. I also remember our friendly competition decorating our yards and houses during the Christmas season. John, you will be dearly missed in the neighborhood, Peggy and I pray that your family finds comfort knowing that you are in a better place now.

Sharon,

I am completely heartbroken to learn of John's passing. In and out of working as a contractor then as a GS at FLW for over 20 years, I worked with John from time to time and more directly when I joined the Homeland Defense Civil Support office. His insight and counsel that I received on working numerous JCIDS documents was critical for the success we had in getting documents over the line within the Army and DoD for approvals. He could do this with his usual humor and of course his passion for "The Eagles" goes without saying, was legendary. I am usually not without words, but I am so set back at your loss. I appreciated the time I knew him and my heart genuinely aches for you and the family. You and the family are in Barbara's and my thoughts and, of course, our prayers.

God Bless,

Barbara and Michael Todd
