“ Loved Sharon so much. She was an amazing woman that all young ladies (and old) should model their lives after. When I was young and still living at home I loved when she would come over to visit Gayle, and listening to her wisdom. I was blessed to be able to hear her preach several different times at Union Church as well. No matter where I was at in life she ALWAYS was kind and had time to speak with me. My walk with the Lord today has her influence in it somewhere, as I know that countless others would testify to as well. Until we meet again Sharon.....
