“ Sherry was so nice to me, a stranger that she never met. She knew my husband since youth. But I had never met her. 3 years ago this coming September, my husband had open heart surgery, at my friend Kim's suggestion she talked me into leaving the hospital with to go to her friends house to rest, shower and eat. Sherry was this friend. Sherry also came to the hospital to pick me up in the evenings, taking me back the following morning! Who does that??? I will forever miss her and I will be forever thankful for her presence in my life! Jonette Howlett
