“ Hugs, chuckles and jokes, the things that Steve brought to this family. We will never be complete again, but our memories and love for Steve will keep the circle attached. I am blessed to still hear his voice in my head, waiting for the punchline. We all loved you so Steve, I hope you knew that. Love you, Sue

“ “Say not in grief ‘he is no more’ but in thankfulness that he was.” – Hebrew Proverb
I will never say 'he is no more', but I will be forever grateful for who he was. Growing up with him, Steve always treated me like I was special. Maybe because he is my cousin, his Dad's twin brother's oldest child. I didn't get to know him much as an adult, and I'm sure he didn't change. He will always be one of my favorite cousins!
