“ Steve was my mentor and friend for 20 years. When he retired he made it a point to check in on me constantly which was deeply appreciated. A true friend. I always think of our TDY trips together with others from the office; DC, Nashville and others.  
Steve you are sorely missed but will always be in my heart and mind.

I first met Steve in the early 80s when he worked in St. Louis at the Army personnel center. Later, I worked with him in Austin and San Antonio. He was a great friend and someone whom I deeply respected. He was incredibly intelligent and hardworking and had a wonderful sense of humor. He will be missed by many.
