“ *Ed, Jackie, Laura, & Jeff: There are no words that I can possibly say to ease your grief. Please know that I am thinking of you all during this very difficult time. I will always remember him as my little Stevie - the pesky kid that followed Laura and I around all the time. He was such a fragile soul. I will keep all of you and his babies in my prayers. Love you all very much.###imported-begin###Anda Zeiger###imported-end###*

“ I am so sorry to hear of Steve's passing. I walked with Steve during graduation, was best friends with his cousin, and knew him since elementary school. He and I were close to the same size, so during class pictures, he and I had to stand next to each other. We were also in Health Occupations together.

*I am so sorry to hear that he passed away. I will be praying for his family.##imported-begin##Sammye Lawson##imported-end##*
