“ I am truly heartbroken to learn the news of Mrs. Morriss' passing. I remember her as being absolutely no nonsense when I would visit the library when I attended Waynesville Junior High School in the late 70s. In fact, I was a little afraid of her, but as an adult, realized that she had to be tough to keep of all of those rowdy students in line. I remember running into her and her husband years later and she was absolutely delightful. To the wonderful and kind Mr. Morriss, I extend my deepest condolences to you and your family.
