“ Ricky, Melody, Carrie, and my other mom, I am so sorry to hear about Terry. Instantly I flashed back to him, Ricky and I playing basketball out behind your house. I also remember Ricky and I playing football against him. The two of us could hardly ever bring him down. I know me and that little brother of his were very annoying but he was such an inspiration to me. When I talk to kids about staying with it, I always tell the story of him out playing baseball by himself. Throwing that ball into the air and the persistence to try and catch it time and time again. I'm glad I have the memories of Terry. May you find peace and my thoughts and prayers are with you.
