“ *Always a fun time when I got to go visit Aunt  
Thelma's house. Went many times throuhout  
the year. Normally got to stay there for a week  
or two in the summer. A few rabbit hunts and  
countless camping trips with Aunt Thelma,  
Teresa, Trudy, Ricky along with my Mom and Dad filled my youth.  
Always full of story telling and laughs with a big fish fry every lunch  
and dinner, which is always better on the river banks. Often think  
back to those times and wish they had never ended. I will miss your  
hugs & laughter. Freddie Sudheimer*

“ Aunt Thelma, such a fun soul God made her. when i was growing up we didnt have much. She used to buy trailers and put them together and when she would clean them out and find nice clothes she would wash them and bring them to me.. one time she brought me a pair of red pants and a white shirt. On the weekend we all went dancing and she and i both wore red pants and a white shirt.. she had a way of making people feel loved amd important. May GOD grant peace to her children and grandchildren. Love to all angie walker(Richards)
