“ I just found out about Tom. Our hearts go out to you in your time of earthly loss and grieving. Remember that we are only passing through this life on the way to our permanent home with our savior Jesus Christ. May God bless you and ease your family's sorrow.

“ I remember Tom when he worked at GLWACH, in the mail room but not exactly sure of the time frame. I worked in one of the clinics starting in 1989 and had some interaction with him almost daily regarding mail business. He was always there when I needed help because I was so new and "green". Pleasant and kind is what I recall. Please accept my sincere condolences and prayers for his wife and other members of his family.

“ I feel embarrassed to say that I didn't know my uncle Tommy as well as I wanted or should have, but it mainly was due to living 1,000 miles apart. However, with this in mind, I still loved him for being family and choosing to serve my beloved country for a career which I find extremely admirable. You are in my prayers uncle Tommy. May you eternally rest in peace.
Your nephew,

“ He loved animals. One Easter as a kid he bought baby chicks and didn't tell Mother. They were in the closet in his room “peep peep peeping” away. He kept telling the chicks “shh. Shh which of course didn't work. I think mother made him return the chicks

Will miss you big brother. Rest in peace
