“ *I drove school bus with Tom and Ann, two of the kindest people I worked with. I would see Tom out in the community from time to time, always willing to have a conversation and give updates on Ann. He once put in an air conditioner for us and wouldn't let me pay him. I'm forever blessed to have known him. My prayers for Ann and the Cooper family.*

“ *Mr. Cooper was a man I liked because he was a veteran like myself. Working along side him at the EDP dining facilities was always a pleasure because he was a team player. Loved hearing his stories that he told on breaks. I last saw him at the Money Center in June where I was working. It was hard to see him like that so in my memories, I will always remember the man he was when I worked with him. My condolences to the Cooper family.*
