“ I had the good fortune of working beside and the shift after Tommy. I also was his patient a time or two. He was an incredible human in a world falling short of them. I truly was saddened to see we lost Tommy far too soon for he had loads of life left to live. I offer sincere condolences to his family a great source of pride for him. I pray he rests in peace for he deserves that. Tommy I will light a candle for you heaven may or may not be ready for you but it's certainly where you will be.

“ Tommy took care of me a few times. I always felt he was one of the good ones and he was respected. He showed wisdom and there was an easiness about him. I was always glad if he was the one tasked to take care of me as I knew I'd get good care. He was professional, showed strength and courage in the care he gave me. I loved his energy. He is gone to soon. I believe there is a higher power and that Tommy is in good hands right now with good people in a very beautiful place.

My Condolences to Tommys family and friends,

“ It's hard to put into words everything that I'm feeling so I'll just share a few good memories. No I didn't have your DNA but since the day you came into my life I've always been your baby girl. I will always cherish our shared love for Elton John and singing our hearts out anytime we listened to him. Thank you for always showing up for every volleyball practice and all my games. You'll never know how much that meant me. Thank you for always encouraging me and being my biggest cheerleader! Thank you for being such a good papa to my babies. Thank you for driving 13 hours to help walk me down the isle! I don't think anyone will ever understand the bond that you and I shared, you weren't just my bonus dad you were my best friend. I could talk to you about any and everything. Honestly this just seems so unfair and I will never get over losing you! I love you beyond measure and I'll miss you, until we meet again beyond the yellow brick road!!! 🧡

“ Tommy was one-of-a-kind! I worked with him in the ER at GLWACH. The nicest, most compassionate man I have ever met. He and Mike Redman were cut from the same cloth. God bless you, my friend. I will miss you.

“ *Tommy was an awesome Soldier! I remember being stationed with him at GLWACH back in the mid 90's. Fast forward a few years and we hired him to work in the ER. One of the best employees and health care professionals we had, but most of all a great friend!! Rest In Peace my brother!! You will be missed! 🇺🇸*
