“ *Miss Me -- But Let Me Go*

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom-filled room.
Why cry for a soul set free?*

*Miss me a little--but not too long
And not with your head bowed low.
Remember the love that we once shared,
Miss me--but let me go.*

*For this is a journey that we all must take
And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.*

*When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss Me--But Let me Go!##imported-begin##Stella, Anastasia and
