“ *Fun, loving, hard working...always laughing...that's how I will always remember Timi.
Battling demons like the rest of us, but doing it (mostly)with a smile. You're whole and you're free... RIP my friend.*

I posted some pics from some really good days we had years ago. We had such a full and happy life and so many close friends! The pics are a little dorky of all of us but we sure did have a good time! :D I shall remember the good days we all had together and look forward to being with you again in eternal, everlasting love and happiness! I Love You Timi, Shelley♥

“ I met Timi while we were going to cosmetology school. While we were in school together. I met her parents and sister. I really liked Timi. She was a young single mom who was so much fun to be around.. We lost contact and one day I ran into her at Wal Mart. We talked she had mentioned she had been in Germany with her daughter. We each had to go.. I hugged her. That was the last time I saw her. To your family sweet friend I give my condolences. may you rest in peace
