“ I worked with Tim when he was just a teenager. It's been many, many years but I still remember how he was wonderfully kind, had a great sense of humor and was a very hard worker. I'm so sorry for your loss and to hear of his passing. May God give you peace in your loss and give him peace in his passing.

“ Brenda, we can't begin to convey how sorry we are for your loss. You and Tim have a special place in our hearts. Tim had to endure so much with his health and all the complications of it. But Tim was very much a believer and he finally has the healing he could not get on this earth. Brenda, you too have been through so much as Tim's caregiver and unending supporter. It has been a rough journey for you as well. Our thoughts and prayers are with you. Love, Marlene and Dennis

I will miss Tim (cuz) calling with updates from the Missouri division as he would say. In the sound of his voice, I could tell he was smiling. I will always cherish our conversations.
