“ *My friend Judi Mullins and I were talking about Tracy and how much fun she was. We decided to look her up to see if we could locate her and we were shocked and saddened to see that Tracy had passed away. It brought tears to my eyes. I was a friend of Tracy's here in Livermore, CA. I am very sorry for the loss of your loved one. Her dimples and infectious way would light up a room. I am happy to read that she found Jesus. That means, we will be able to visit with her all we want to in Heaven. God bless you and know that my thoughts are with you.##imported-begin##Virginia Edwards##imported-end##*
