“ *We at Sunset Village loved Ms. Velma so much. Several of us called her grandma and her face would light up. She was a sweet gentle soul and I'm better for having known her.*

“ *I'll always remember and cherish her. As I took care of her, her smile would always warm my heart. She always had the biggest smile and when she smiled her whole face would smile. I would always look forward to that before and after shift. Or even her occasional hugs and cheek kisses. My condolences to everyone including the family. Velma has earned her place amongst the angels.*
