Verna was my boss at Dugway Proving Grounds in the early. Up to last year we exchanged Christmas cards updating each other on our lives, children, etc. I had no idea she passed away over the summer. I knew she was ill. My condolences to her family. I knew Amber from Dugway, maybe 5 or 6 then. Verna will be missed. Such a sweet, wonderful friend.

“ I loved my Aunt Verna, she was a hoot to talk to on the phone and an amazing person face to face. This saddens and breaks my heart, I love you Auntie, until we meet again.

“ Early on I remember Verna from the horse corrals, there was a group of us that would ride around the backside of the corrals. I remember this one time Verna and I were riding double and we ended up getting bucked off and at the hospital. She bought that horse and named it SOB. Verna and I both became pregnant at about the same time making my parents grandparents to both babies. My mom took her under her wing and Verna became family. Thank you Verna for letting us have so much of Amber growing up. You will be remembered and missed by many. Love you!
