So many changes to your life, but my friend you were strong enough to weather those storms but you couldn't say "No" to Your Lord. Knowing you're at peace helps lighten our loss. A beautiful woman left us but we remember the love you had for your family and friends.

“ Virginia was my cousin. She faced several bad breaks in her life that no one deserves, but she endured and worked hard to be a good mother and wife. She loved her children deeply and tried to make their lives happier. May she rest in a peace she richly deserves.

“ Virginia was a very Caring person who would do anything for anybody. When I Dale Martin had cancer and my wife Kathleen had cancer at the same time. While my wife was in the hospital in Columbia, Virginia would come by my house and pick me up every day and take me to Rolla for my cancer treatment. She was there for the both of us any time that we needed anything. She will be surely missed.

“ I loved roto tilling the front yard garden so Virginia could grow her sometimes crazy tall sunflowers! It was always hard work but always worth the smiles we would all get for getting the garden together for her! I will always miss her, she was and always will be in all our hearts and thoughts and memories forever. I am truly sorry for your loss and if I can do anything to help you all out just let me know.
