“ What a great voice we have lost! Warren had a great voice and I remember growing up listening to him on KLWT - AM! I loved when I would see Warren & Shirley come into Walmart and Warren would make sure to say hello when he would see me. Shirley, please know that I am thinking of you and the family during this time. Sending my love and prayers.

“ Warren Goforth...my friend....my family, I love you and miss you already.. thank you for the advice in radio broadcasting and in life, the stories that you shared, the pushes on bad days and the cookies on any day that you had them to share ❤️ Some of the best family we have in life, are not blood but people that God puts in our path so that we may adopt them and learn from them and then their stories become part of ours and who we are forever. Prayers for the Goforth family!
