“ My name is Beverly Kowerduck Marney and I was very close friends with Wayne while going to school at Waynesville High. Maggie Miller Hofford and I loved him and often wondered what happwned to him. We lost touch with him when Maggie moved to Denver, CO and I moved to Fresno, CA in our Sophomore year. Thru the years we searched for him but I didn't find him until I ran across his obituary this year. I wanted so badly to pick up the phone and tell Maggie but sadly we lost her June 2023. (Just 25 days before his passing). I was watching a game show on tv and the contestant's name was Wayne Ramos. That triggered me to pick up my phone and Google "Wayne Rasmussen born 1945". There were many obits with that name (30) and I just couldn't see his face in the old gentlemens faces. I decided to read all of them to see if I could recognize something in his life story. The first one I chose to read was indeed my friend, Wayne! It was the smile that drew me to him and the fact that he graduated from Waynesville High. RIP my dear friend! You have touched my heart deeply and I will always remember you.

“ Wayne was one of the good guys in high school. I met him when I was a freshman and he was a junior. We remained friends and kept in touch over the years. All of us who kept in touch since high school would meet up at the all class reunions and have a week of early morning coffee at The Hampton to late nights by the pool til everyone headed back to their rooms. I spoke to Wayne the afternoon before he passed. His breathing was very labored. I was profoundly saddened to receive the call on Saturday the 8th that he passed. RIP my friend. RIP 🙏
